

## HEALTHY CHILD POLICY

To ensure the best health practices are in place for our children we require that children who have a fever, runny nose with yellow discharge, diarrhea, vomiting, or other symptoms remain with their parents.

If a child becomes ill, we will text the parent. We ask that parents whose children become ill retrieve their child within 10 minutes.

All toys will be cleaned prior to the next nursery use. They will be cleaned by wiping them down with Clorox wipes. Changing table and play yards will be wiped down and covers changed prior to the next nursery use. Use of disinfectant spray liberally during peak illness seasons will be done.

Appropriate hand-washing will be done by children and volunteers. Sanitizing hand gel will be available at nursery entryway, changing table and outside of restroom.

## CHILD SAFETY POLICY

There will be a minimum of 2 nursery attendants who are required to:

- \*have a child safety background check.
- \*complete the online training for safe child practices
- \*complete a child CPR class.

The north door of the nursery will remain locked from the outside during hours the nursery is in use. The door can be exited from the inside for emergencies only.

The shelving, corner cabinet and changing table will be anchored to the walls.

Only children under 3 years of age are allowed on the Nursery side of the room. Only toys and supplied safety rated for children under 3 years of age are allowed on the Nursery side of the room.

*It is a privilege to care for your child.*

The KidsZone is for children over 3 years of age (maximum age of 6 years of age during worship services).

The Nursery side of the room is for children under 3 years of age.

## REGISTRATION CHECK-IN / CHECK-OUT

\*All children must have a registration card, with all fields completed, prior to being left in the Nursery or KidsZone. Sorry, no exceptions.

Check In/Check Out Form

\*The responsible adult will sign a child in and out for each stay.

\*Only registered children may be signed in.

\*If the adult leaving the child is not the one who comes to collect the child, permission must be given on the child's registration card for other adults allowed to sign out a child.

\*Only those listed may collect the child.

\*In emergency cases, a pastor will need to give permission for an adult to check out a child without appropriate documentation.
